

Coniston Adventure Team [challenge] 2007

The [challenge] Saturday 1st September 2007

Now into its sixth sell out year, this fantastic multi-sport event just keeps on growing. Be one of our teams of four to six people who will be challenged to summit the Old Man of Coniston, mountain bike the lush woodland trails of Grizedale Forest, then power yourselves and your sit on top canoes across the famous Coniston Water.

This extremely fun yet challenging event will test your teams ability to complete all three disciplines in under ten hours whilst raising funds for Guide Dogs.

Evening team celebrations within event marquee to feature presentation of awards, evening meal, disco, ceilidh band and late bar.
